Are you looking to get more from your camera?

Do you fancy having a go, but just don't know how to get started?

Do you dabble and are looking for an outlet for your photography?

The Ashby Camera Club is running two talks at the beginning of their 2009/10 season aimed at beginners and improvers. The talks will cover:-

- How a camera works.
- Selecting a camera.
- Aperture, shutter speed and depth of field.
- Metering and focusing.
- Automatic and manual modes.
- Understanding the digital image.
- Choosing a subject.
- Composition tips.
- Photo editing software.
- Basic adjustments.
- Printing images.
- Mounting images.
- Competitions and exhibitions.
- Alternative things to do with images.

Everybody is welcome to attend (children under 16 should be accompanied by an adult). The talks will take place at Smisby Village Hall on **16th September** and **14th October 2009** starting at **7:30pm**. A charge of **£2** per talk will be made for non-members, which will be refunded should you subsequently decide to join the club. Reserve a place now by e-mailing secretaryacc@googlemail.com.

For more details about the club see:-
